EMPLOYEE ACKNOWLEDGEMENT

I understand and agree that it is my responsibility to give my manager the completed Request for Leave for all planned leave not less than 2 weeks in advance of the start of the requested leave or as required by law or Company Policy. By my signature, I agree that all planned leaves must be requested in writing and that leaves are not approved until the request has been signed by my manager and submitted to Management. I further understand and agree that leave may be granted, denied, or modified per Company Policy and business needs. I understand and agree that failure to obtain my manager's written approval prior to taking planned leave may result in disciplinary action up to an including discharge. I understand and agree that if I do not return to work on the above stated date, or contact my Employer regarding my failure to return, I will be considered to have voluntarily abandoned my job and my employment will be terminated effective as of the leave return date listed above.
